GENERAL TERMS AND CONDITIONS

The Dealer desires to participate in the AttiCat® Dealer Event, and Owens Corning is willing to allow Dealer to so participate subject to the following additional terms and conditions set forth below.

For good and valuable consideration, the parties agree as follows:

1. Purchase Commitments. In exchange for the Event benefits provided by Owens Corning, in each of the second and third Contract Years (as defined herein) during the term of the Event, the Dealer agrees, with respect to its overall purchase requirements for loose fill blown-in insulation products, no less than 100% of its purchase requirements for such products shall be AttiCat® Insulation Products (the "Purchase Requirements"). The Dealer shall use best efforts to convert its entire loose fill blown-in insulation business to AttiCat® Insulation Products within the first Contract Year.

Notwithstanding the preceding, the Dealer also agrees to use best efforts to purchase no less than \$15,000 of AttiCat® Insulation Products per Participating Dealer Location (as defined herein) in each Contract Year during the term of the Event from the designated Supplying Distributor identified by Dealer on the opposite page hereof (the "Target Purchase Minimum").

Additionally, in an effort to ensure the successful start to Dealer's participation in the Event, Dealer agrees that it shall purchase an initial stock of AttiCat® Insulation Products in an amount no less than 195 bags from the designated Supplying Distributor for each Participating Dealer Location (the "Start-Up Purchase Requirement"). The Dealer shall ensure that a copy of the Purchase Order for the Start-Up Purchase Requirement is received by Owens Corning.

The Purchase Requirements, Target Purchase Minimum and the Start-Up Purchase Requirement shall be collectively referred to herein as the "Purchase Commitments".

2. AttiCat® Dealer Event.

A. Owens Corning agrees that it shall make available to Dealer for its use one AttiCat® Machine per Participating Dealer Location. The AttiCat® Machine is made available to the Dealer at the designated Supplying Distributor's location for pick up, at Dealer's sole cost and expense. Dealer shall have either earned the right to acquire the AttiCat® Machine at no charge at the conclusion of the Event, or otherwise shall be provided the option to purchase the AttiCat® Machine at the purchase price calculated in accordance with the provisions below. In the event that the Dealer has an option to purchase the AttiCat® Machine, such option shall expire within 15 days following the conclusion or termination of the Event, whichever is earlier.

The actual purchase price for the AttiCat® Machine shall be calculated based upon Dealer's purchases of AttiCat® Insulation Products against the Target Purchase Minimums for each Participating Dealer Location in each of the three (3) Contract Years during the term of the Event, all in accordance with the following schedule:

Standard AttiCat® Dealer Event Member	
Amount of Purchase per Contract Year	Purchase Price for AttiCat® Machine
\$15,000+	\$0
\$10,000-\$15,000	\$500
\$5,000-\$10,000	\$1,000
\$0-\$5,000	\$1,500

Diamond Level Preferred Pink™ Dealer (50% reduction for AttiCat® Dealer Event)*	
Amount of Purchase per Contract Year	Purchase Price for AttiCat® Machine
\$7,500+	\$0
\$5,000-\$7,500	\$250
\$2,500-\$5,000	\$500
\$0-\$2,500	\$750

Example 1: if Dealer achieves the Target Purchase Minimum (i.e., \$15,000) in each of the three (3) Contract Years for a Participating Dealer Location, the purchase price for the AttiCat® Machine for that location is \$0 (i.e., the Dealer shall have earned the AttiCat® Machine at no charge). Calculated as purchase price of \$0 in each of Contract Years 1 through 3 for a total purchase price of \$0.

Example 2: if Dealer achieves \$5,000 in Contract Year 1, \$12,000 in Contract Year 2 and \$16,000 in Contract Year 3 for a Participating Dealer Location, the purchase price for the AttiCat® Machine for that location is \$1,500. Calculated as purchase price of \$1,000 in Contract Year 1; purchase price of \$500 in Contract Year 2; and purchase price of \$0 in Contract Year 3 for a total purchase price of \$1,500.

Example 3: if Dealer achieves \$15,000 in Contract Year 1 and then decides to terminate its participation in the Event, the purchase price for the AttiCat® Machine for that location is \$3,000. Calculated as purchase price of \$0 in Contract Year 1 and \$1,500 for each of Contract Years 2 and 3 for a total purchase price of \$3,000.

The purchase price for the AttiCat® Machine shall be invoiced through the designated Supplying Distributor. Dealer agrees to pay the applicable purchase price immediately when due. The purchase price shall be calculated at the expiration of the term of the Event or upon the earlier termination of the Event. In the event that Dealer does not elect to purchase the AttiCat® Machine by exercising its purchase option, then Dealer shall promptly return the AttiCat® Machine to the designated Supplying Distributor in good condition, reasonable wear and tear excepted, and at its sole cost and expense. Dealer shall not sell,

assign or otherwise transfer the AttiCat® Machine to any party until such time that it exercises the purchase option granted hereunder and pays the applicable purchase price in full.

B. The Dealer is not required to maintain an AttiCat® Machine at all of its locations. A Dealer location that maintains an AttiCat® Machine on premises and participates in the Event shall be referred to herein as a "Participating Dealer Location". The Participating Dealer Locations are as set forth on Exhibit A attached hereto, and may be modified as Participating Dealer Locations are either added or removed from time to time, as agreed by Owens Corning and Dealer.

C. Dealer shall purchase the Purchase Commitments for AttiCat® Insulation Products from the designated Supplying Distributor, all in accordance with Section 1 of these General Terms and Conditions.

3. **Additional Event Benefits.** In addition to the benefits referenced herein, Owens Corning agrees to provide Dealer with other Event benefits, including market and business analysis, technical resources, sales and marketing materials, and comprehensive business-related training.

4. **Term and Termination.** The term of this Event shall be three (3) Contract Years. The term shall commence on the Effective Date. For purposes hereof, a "Contract Year" shall be the 12-month period immediately following the Effective Date and then each successive 12-month period thereafter.

If either party commits a material breach of this Agreement, and such material breach is not cured within a period of thirty (30) days after written notice of such material breach is delivered to the breaching party, then the non-breaching party may immediately terminate this Agreement by providing the breaching party with written notice of such termination. For purposes of clarification, if Owens Corning terminates this Agreement for a material breach by Dealer, then Dealer's option to purchase the AttiCat® Machine shall automatically terminate.

5. **Audit Rights.** During each Contract Year, Owens Corning shall have the right to inspect and audit Dealer's records as they relate to Dealer's purchases of AttiCat® Insulation Products with respect to the Purchase Commitments. Owens Corning's rights shall, however, only be exercised by Owens Corning during Dealer's normal business hours and only following reasonable prior notice (24 hours prior notice being presumptively reasonable). Such inspection and audit rights hereunder shall not be exercised more than once during any Contract Year.

6. **Indemnity.** Dealer shall indemnify, defend, and hold Owens Corning harmless from and against any claims, liabilities, costs, expenses and damages based upon an allegation that: (a) Dealer is an agent or employee of Owens Corning; (b) Dealer or its employees, agents or subcontractors were negligent in performing work for their customers; (c) the acts or omissions of Dealer or its employees, agents or subcontractors damaged the property of others or resulted in personal injury; (d) Dealer failed to comply with the terms of the Event or with applicable building code, regulations or rules; (e) Dealer performed any illegal act(s); and (f) Dealer made any misrepresentation to any of its customers. The obligations of this paragraph shall survive termination of Dealer's participation in the Event.

7. **Trademarks.** No license is granted or implied by these General Terms and Conditions under, or for the use of, any trademarks or trade names owned or controlled by Owens Corning or any of its affiliates, except as otherwise expressly provided by Owens Corning in connection with the Event.

8. Miscellaneous.

- A. The General Terms and Conditions shall be governed by and construed in accordance with the laws of the State of Ohio, without regard to its conflicts of laws provisions.
- B. If any provision herein shall be found invalid by a court of competent jurisdiction, such provision shall be deemed omitted, but the remaining provisions shall remain in full force and effect.
- C. These General Terms and Conditions constitute the full, complete and final expression of the parties' agreement and understanding regarding the Program, and it replaced any other prior representations, understandings or agreements between the parties regarding the Event.
- D. These General Term and Conditions and Dealer's participation in the Event are personal to Dealer and Dealer shall not assign or transfer its rights or obligations hereunder to any third party without the prior written consent of Owens Corning, which consent may be withheld in the sole discretion of Owens Corning.
- E. All capitalized terms not otherwise defined within these General Terms and Conditions shall have those meanings given to such terms on the opposite page of this document which bears the signatures of the parties.
